

Whiskey Mistress — Customer Knowledge Base

Prepared for NETICS managed onboarding · 28 August 2026

Upload this document to **NETICS** → **2. Knowledge base** → **Upload document**.

The agent answers only from what is written here. Anything not covered must be escalated to a person rather than guessed — see *Escalation rules* at the end.

Before uploading, confirm the three items marked ⚠️ **CONFIRM**. They are contradictory or unverified in the source material, and an AI agent will repeat whatever is written here to every customer who asks.

1. About the venue

Whiskey Mistress is Abuja's premium nightlife destination — a place where elegance meets energy and every night feels like an occasion.

From expertly crafted cocktails and a world-class whiskey list to curated DJ lineups and an extraordinary live show, we deliver a seamless fusion of sophistication and excitement. Our guests come for the pour and stay for the performance.

We are a lounge, bar and live-entertainment venue — not a daytime restaurant. The kitchen serves grills alongside the bar; the room is built for nights out, celebrations and private hosting.

- **Strictly 18+.** Valid ID may be requested at the door.
- Dress to impress. The room is smart and the crowd dresses for it.

- **Wednesday & Thursday** — open from 8PM, resident DJs.
- **Friday** — the flagship night. Resident DJs Peterpan, Boston, Charlex and Nextbeat. Doors 8PM.
- **Saturday** — themed nights such as *Paradiso*, with the resident DJs plus guest hosts (for example Hypequeen Zee). Doors 8PM.

Named nights that have run include **Paradiso**, **Delilah**, **Daughters of Eve**, **Friday** and **One Night Only**.

Themed nights rotate, so the agent should not promise a specific themed night on a future date unless staff have confirmed it. Point customers to the website's Events page or Instagram for the current line-up.

Resident DJs: Peter Pan, Boston, Charlex, Nextbeat. **Regular guests:** Hypequeen Zee, DJ Kenny, DJ Borsh, DJ TTB.

5. Reservations (tables)

Guests reserve through the website's *Claim Your Table* form, by phone or by WhatsApp. A request is not a confirmed table until our team confirms it — the agent must say so and never confirm a booking itself.

What we need to take a request:

- Full name
- Phone number
- Email address
- Date and time
- Number of guests
- Occasion (birthday, anniversary, date night, business guests, celebration)
- Seating preference (VIP table, booth, bar seating, standing/floor)
- Any special requests

Notes the agent may give:

- Doors open at 8PM; Sunday from 4PM.
 - Weekends fill quickly — earlier requests get better seating.
 - Large groups and bottle packages are arranged with the team directly.
 - Minimum spend may apply to VIP tables on busy nights — the team confirms the amount per night. **The agent must not quote a minimum spend figure.**
-

6. Private events and bookings

We host birthdays, corporate nights, product launches, bottle takeovers, networking events and private celebrations.

To prepare a quote the team needs: contact name, phone, email, company (if any), event type, preferred date, expected guest count, budget range and a short description of what is wanted.

Private events are **quoted per event** — there is no published package price. The agent must collect the details and hand over to the team rather than estimating a cost.

7. Careers

We are always looking for talented people who love hospitality. Applications are taken through the Careers page on the website.

Positions we recruit for: Bartender, Waiter/Waitress, Host, Security, DJ, Kitchen, Management.

An application needs: full name, email, phone, the position applied for, a résumé link (optional) and previous employment history. The agent may take these details and confirm the application was received; it must not discuss salary, make an offer, or promise an interview.

8. Common questions

Where are you? 3rd Floor, Nurnberger Platz, Plot 1723, Ademola Adetokunbo Crescent, Wuse 2, Abuja.

When are you open? Wednesday to Sunday. Doors at 8PM, and from 4PM on Sundays for One Night Only. We are closed Monday and Tuesday.

Do I need a reservation? Not always, but tables go fast on Friday and Saturday. Requesting a table ahead is strongly recommended.

Is there an age limit? Yes — strictly 18+. Valid ID may be requested.

Do you serve food? Yes. Grills off the fire: goat thigh, lamb chops, whole chicken, prawns and french fries.

How much is a table / bottle? Bottles are priced individually — see the bottle service list. A 5% service charge and 7.5% VAT are added. Table minimum spend varies by night; the team confirms it.

Can I book for a birthday? Yes. Use the reservation form and select Birthday as the occasion, or contact the team for anything larger.

Is there parking / a dress code / do you take cards? ⚠️ Not covered by the venue's published material. The agent must say it does not have that detail confirmed and offer to connect the guest to the team.

9. Tone

Warm, confident and concise. We are a premium venue: welcoming, never stiff, never over-familiar. Match the guest's language, including Nigerian English and Pidgin. Do not oversell, do not use exclamation marks in every line.

Brand lines that may be used: *"Abuja, you are invited."* and *"Tonight deserves a better story."*

10. Escalation rules — hand to a person when

- The guest wants a table confirmed, changed or cancelled.
- The guest asks about VIP minimum spend, a private-event quote, or any price not listed in section 3.
- The guest asks about parking, dress code, payment methods, refunds, lost property, or accessibility — none of which are covered here.
- The guest reports a complaint, an incident, a safety concern, or anything involving a refund or a dispute.
- The guest asks about a specific future date's line-up that is not listed.
- Press, partnership, supplier or investor enquiries.
- Anything about a named individual staff member or guest.

When escalating: take the guest's name and phone number, say the team will come back to them, and route to WhatsApp +234 809 172 9999 or the reservations line.

Never: invent a price, confirm a booking, quote a minimum spend, promise a performer, offer a discount, or state a policy that is not written above.

Open questions — resolve before the agent goes live

1. **Phone number.** The website's contact block reads **809 172 9999**; the event flyers and the printed menu footer read **809 176 9999**. This document uses 172. Confirm which is correct — the agent will give this number to every caller.
2. **Instagram handle.** The website's contact block reads *@whiskeymistressabuja*; the venue's verified Instagram account is *@whiskeymistress_abj*. This document uses the verified account.
3. **Email address.** None was found in any of the venue's material. The address currently shown on the new website was a placeholder and should not be treated as real.
4. **Dress code, parking, payment methods and refund policy** are not documented anywhere. They are the most common questions after hours and location — worth adding before launch.
